

## **Passion 4 People Consulting, LLC Hires Kathleen Holmberg as Operations Manager** ***Company “Leaps” into Strengthening Operational Capabilities***

*Mountain Lakes, NJ – February 29, 2024* – [Passion 4 People Consulting](#) (P4P), a women-owned boutique staffing, search and consulting services firm, is pleased to announce that Kathleen Holmberg has been hired as Operations Manager.

“I’m delighted that Kathleen has joined us. As we mark 10 years in operation, the natural next leap is to upgrade our infrastructure,” said Founder Ina Rose. “With Kathleen on board, we will be able to create a stronger operational platform, which will benefit us as well as our clients and consultants. Kathleen will handle a range of functions, from streamlining processes and handling contracts, to onboarding and marketing administration.”

“I would also like to thank Diane Hickey for her work in supporting us operationally since 2019 and trying valiantly to organize my office,” Ms. Rose continued. “We hope she has more opportunities to enjoy the beach in her semi-retirement!”

“I’m so excited to be working with Ina and the P4P team,” said Kathleen Holmberg, Operations Manager. “We share mutual values: passion, positivity and community giving. I consider Ina a role model in many ways. It’s such a coincidence to be starting this role around Leap Day, which exists to keep us in alignment with the seasons. I see my role in Operations as keeping P4P’s business and support functions all in alignment with the company’s mission and values, and running efficiently.”

Kathleen previously served in operational roles at other New Jersey-based companies, including Santiago Chiropractic Associates and CMK Select, LLC. She has been deeply involved in her community over the years, volunteering through various roles in the H&SA, Borough of Mountain Lakes and multiple extracurricular activities. She holds a Bachelor of Science in Business Management from Springfield College.

P4P has repeatedly been recognized as one of New Jersey's fastest growing companies. Since the company's inception, Ms. Rose has remained committed to giving 2% of revenue to charity, as chosen by the company's consultants and clients.
