

## **Passion 4 People Consulting, LLC Recognized as one of New Jersey's Fastest Growing Companies**

### ***Boutique project consulting and staffing firm doubled in size over three years***

*Mountain Lakes, NJ – December 7, 2020* – [Passion 4 People Consulting](#) (P4P) was recognized as one of [New Jersey's 50 fastest-growing companies](#) in 2020 by NJBIZ, a leading business journal. This distinction honors the state's most dynamic businesses, those which progressively contribute to the success of the state's economic growth and stability. To qualify, companies needed to meet selection criteria that included a revenue size of at least \$500,000 within the past two out of three years and revenue growth over a three-year period, dating from fiscal year 2017 to 2019. This follows the company's other recent award from NJBIZ, being included as one of the Top 250 Privately Held Businesses of 2020, announced just one month ago.

"We are so pleased to receive these awards and be recognized among some of the best businesses in New Jersey," says Founder Ina Rose. "Our growth is due to shared core values among our team, our clients and our consultants, combined with a commitment to building long-lasting partnerships. We have appreciated our clients' trust in helping them with their interim and project needs, especially this year. We run our business lean which has especially helped during the pandemic so we can pay our consultants well while charging our clients less."

In the last three years, Passion 4 People has doubled in size, expanding to serve clients in seven states. To meet demand, the company recently opened a new branch in California. It has remained committed to giving 2% of its revenue to charity. Since inception, P4P has given away \$112,000 to good causes. Its latest donation of \$25,000 to Rutgers Business School will support scholarships for underrepresented accounting students through the university's Office of Diversity Programs.

NJBIZ's 50 Fastest Growing Companies will be [honored virtually](#) on December 16, 2020 and their rankings revealed.
